ADMIN: [   ]
Password: [   ]
[Log In]

On the main page there is a way for the Administrator to login.

Admin2.jsp is still work in progress but we have an Admin.page that works without as many functionality

- If interested in it, please look at newproduct.jsp, deleteproduct.jsp, admin2.jsp for seeing how one might add a new product or delete an existing product, and a lot of other features.
